Chorus - Wienke
    How long, how long will I slide?
    Separate my side, I don't
    I don't believe it's bad
    Slit my throat it's all I ever

Verse 1
    I heard your voice through a photograph
    I thought it up and brought up the past
    Once you know you can never go back
    I gotta take it on the other side

Verse 2
    Centuries are what it meant to me
    A cemetery where I marry the sea
    Stranger things could never change my mind
    I gotta take it on the other side
    Take it on the other side
    Take it on, take it on

Chorus - Sascha + (Wienke)
    How long, how long will I slide?
    Separate my side, I don't
    I don't believe it's bad
    Slit my throat it's all I ever

Verse 3
    Pour my life into a paper cup
    The ashtray's full and I'm spillin' my guts
    She wants to know, am I still a slut?
    I've got to take it on the other side

Verse 4
    A scarlet starlet and she's in my bed
    A candidate for a soul mate bled
    Push the trigger and pull the thread
    I gotta take it on the other side
    Take it on the other side
    Take it on
    Take it on

!!! Keyboard Solo !!!

Chorus - Sascha + (Wienke)
    How long, how long will I slide?
    Separate my side, I don't
    I don't believe it's bad
    Slit my throat it's all I ever

(( Bridge ))
    Turn me on, take me for a hard ride
    Burn me out, leave me on the other side
    I yell and tell it that it's not my friend
    I tear it down, I tear it down
    And then it's born again
```
